## Summary

Motivated and passionate front-end developer with a strong foundation in HTML, CSS, Tailwind CSS, JavaScript, and React. Completed SSC in 2024 and currently studying in Class 11 at Hathazari Government College. Successfully completed a front-end development course at Hublu Programmer Institute, gaining hands-on experience in building responsive and user-friendly websites. Eager to expand skills by learning backend development and React Native to become a full-stack developer.

## Education

Hathazari Government College

Class 11 (Higher Secondary) | 2024 - Present

SSC - Completed in 2024 | GPA: 4.17

## Projects

- Developed a weather app using React and external APIs.
- Created a to-do list app with task editing, deletion, and PDF export features.
- Built an AI assistant using Gemini API in React.
- Built multiple responsive websites and interactive user interfaces.

## Skills

JavaScript, React.js, Next.js, MUI, Framer Motion, Tailwind CSS, API Integration, Git & GitHub
